32 Years of Bluegrass Volume 32, Issue 1

PRESIDENT'S MESSAGE

Congratulations and thanks to all the contestants in the 2018 Texas State Guitar contest. What a talented group of pickers we had. Here are your winners:
1st Place: Jondan (J.D.) McBride from Leander
2nd Place: Cameron Knowler from Houston
3rd place: Max Zommett from Austin
4th Place: Noah Jeffries also from Austin
5th Place: Scott Owen from Rowlett

Get ready for the banjo contest next month. I know it will be just as great.

BABA needs your support. For the last few months the crowds have been a little small for several reasons. There is so much going on around and that's great. Festivals, graduations, traffic and weather all affect us, but don't forget about BABA; we need your support or there won't be a BABA. Bring your friends and tell your neighbors and people at work about the free shows and jams. We will all be better if you do.

Thanks to the bands last month: Dueling hearts and Southern Style played their Hearts out (pun intended) and we'll have some great bands this month. So come join us for a great time.

We have Guitar, Dobro, and Bass workshops lined up later in the year so keep an eye out for details. Make sure to check the "BABA Bulletin" for all things bluegrass and to keep up with all the BABA news. Judy sure does a lot of hard work on this thing to keep you posted.

As you all know BABA is only as strong as its members. It costs more than \$1300.00 every month to put on the monthly shows, not counting anything that has to be bought, repaired or replaced. Your membership dues, donations, sponsorship, and gifts are what make this doable. We know you've heard this before, but thank you for all that you do to help keep the music playing.

Keep on pickin'. Rick

Stringing You Along

For the Golfers

Golf is what you play when you're too out of shape to play softball.

The only reason I play golf is to bug my wife. She thinks I'm having fun.

You know it's too wet to play golf when your cart capsizes.

Q: Where can you find 100 doctors at the same place and time on any given day?

A. The golf course.

A golfer has one advantage over a fisherman. He doesn't have to produce anything to prove his story.

Q: What are the worst four words you can hear during a game of golf?

A: "It's still your turn."

Q: What is a handicapped golfer?

A: One who's playing with his boss.

Two long-time golfers were standing by the tee overlooking the river. One says to the other "Look at those two idiots fishin' in the rain."

I would like to sell the equipment for \$600 at least and the trailer to hold it for \$2000. The trailer only has about 60 miles total on it. It was only used about 6 Saturdays (1st Saturday of each month) and about 5 miles each direction. There is a list of all equipment.

There are definitely 2 microphones that are meant to carry the sound from an entire group instead of having a microphone at each musician.

I prefer to be contacted via email at betty2bigdogs@hotmail.com, but you can call 281-674-3220 and leave a message and I will call back. Photos available on request. Thanks, Betty Kaechler

About BABA

The Bay Area Bluegrass Association (BABA) was organized in 1986 and incorporated in 1987 under the Texas Non-Profit Corporation Act. The primary purpose of BABA is to preserve, encourage, and promote Bluegrass and Bluegrass gospel music as an American art form. BABA promotes Bluegrass through being active in community events, fund raisers, festivals, and monthly shows. BABA is a 501(c)(3) tax deductible organization; see any Director for information.

The monthly show is free to the public and features Bluegrass from the local and national scene. The stage show begins at 6:00 PM, but pickers are welcome to bring their instruments and come earlier to jam. Tasty, inexpensive food is available at the show, and there are raffles, door prizes, and Bluegrass merchandise for sale. This is a 'no alcohol' event, but there's plenty of music and great family fun!

Proceeds from donations, sponsors, memberships, sales, and raffles are used to keep the doors open and the regular shows free to the public. They also maintain and replace sound equipment, storage, security, and expense of keeping the music playing. We thank you for your attendance, your generosity, and your love of the music. 13

Anton "Tony" Ullrich

is celebrating 46 years (1972 - 2018) of teaching folks in the greater Houston area to play Bluegrass style banjo.

Your private banjo lessons begin with an introduction to BanjerTab's unique approach to creating syncopation (that 'ahead of the beat' bounce) that you hear in the recordings of the first generation greats, who had no other form of learning than creating their banjo style 'as they went.'

Once you're familiar with BanjerTab, choose the area of playing you want to focus on: Scruggs style, full-chord back-up, mid-neck / high-neck picking, melodic style (fiddle tunes /back-up), or specific songs you have always wanted to play.

The expertise gained through 54 years of playing and 45 years of teaching is available to you now. Choose videotape lessons or come for private lessons in Houston.
