32 Years of Bluegrass

Volume 32, Issue 5

PRESIDENT'S MESSAGE

Well, here we are at the last show for 2018. It's been another year of great music, workshops and jammin' and we've saved one of the best for last. The Purple Hulls again will grace our stage along with White Dove and Southern Style. Make plans to be there and be there early SEATS WILL FILL QUICKLY FOR THIS ONE!!!

For the 3rd time in 14 years I missed a show. (I have a note from the hospital for last month so I hope it's an excused absence.) I want to thank Lynn Holbrook and Judy Sturgeon and the rest of the BABA crew for the fine job covering for Roger (he was in the hospital too) and I know how hard they worked to cover for us and do the things they do every month too. Thank You!!!!

Your BABA staff is working on next year. We'll have top bands, workshops, Pick'in the Park, and Jams. I have a great guitar to raffle off starting in January (Donated by Roger & Pauline Eklund). We'll have raffles every month, snacks and SWEETS, and the best bluegrass around!

BABA is only as strong as its members. Your membership and donations are what keeps the doors open. It costs us around \$1500 each month facility to put on a show: rent, security, band, storage, and kitchen expenses. That's without any surprise expenses. If we bring in a special band that can be as much as \$2000.00 more.

All the income goes back to BABA. No one is paid for the work we do. It's all volunteers. So you see without your support there won't be any BABA shows. Pitch in and give us a hand if you can. Be sure to tell all the crew thanks for the job they're doing. A thanks will go a long way.

Happy Holidays! Merry Christmas! Happy New Year to you all!!!
Let's make next year another great year. Keep on picking!

-Rick

*** TRAILER & EQUIPMENT FOR SALE ***

I would like to sell the equipment for \$600 at least and the trailer to hold it for \$2000. The trailer only has about 60 miles total on it. It was only used about 6 Saturdays (1st Saturday of each month) and about 5 miles each direction. There is a list of all equipment.

There are definitely 2 microphones that are meant to carry the sound from an entire group instead of having a microphone at each musician.

I prefer to be contacted via email at betty2bigdogs@hotmail.com, but you can call 281-674-3220 and leave a message and I will call back. Photos available on request. Thanks, Betty Kaechler

About BABA

The Bay Area Bluegrass Association (BABA) was organized in 1986 and incorporated in 1987 under the Texas Non-Profit Corporation Act. The primary purpose of BABA is to preserve, encourage, and promote Bluegrass and Bluegrass gospel music as an American art form. BABA promotes Bluegrass through being active in community events, fund raisers, festivals, and monthly shows. BABA is a 501(c)(3) tax deductible organization; see any Director for information.

The monthly show is free to the public and features Bluegrass from the local and national scene. The stage show begins at 6:00 PM, but pickers are welcome to bring their instruments and come earlier to jam. Tasty, inexpensive food is available at the show, and there are raffles, door prizes, and Bluegrass merchandise for sale. This is a 'no alcohol' event, but there's plenty of music and great family fun!

Proceeds from donations, sponsors, memberships, sales, and raffles are used to keep the doors open and the regular shows free to the public. They also maintain and replace sound equipment, storage, security, and expense of keeping the music playing. We thank you for your attendance, your generosity, and your love of the music. 10

Anton "Tony" Ullrich

is celebrating 46 years (1972 - 2018) of teaching folks in the greater Houston area to play Bluegrass style banjo.

Your private banjo lessons begin with an introduction to BanjerTab's unique approach to creating syncopation (that 'ahead of the beat' bounce) that you hear in the recordings of the first generation greats, who had no other form of learning than creating their banjo style 'as they went.'

Once you're familiar with BanjerTab, choose the area of playing you want to focus on: Scruggs style, full-chord back-up, mid-neck / high-neck picking, melodic style (fiddle tunes /back-up), or specific songs you have always wanted to play.

The expertise gained through 54 years of playing and 45 years of teaching is available to you now. Choose videotape lessons or come for private lessons in Houston.
