32 Years of Bluegrass

PRESIDENT'S MESSAGE

The only thing hotter than the weather in S.E. Texas is the Bluegrass Music! We intend on keeping that going here at BABA.

Thanks to the bands last month, **Southern Style** and **Out of the Blue** with our friend **Jay Blocker** who we don't get to see nearly often enough. Thanks guys.

This month we will get to see our friends from central Texas, **Dueling Hearts** and our own **Pet Rooster**. I know you'll want see them.

Now I need to announce some BABA news.

After many years of service **Laney Sims** has retired from the Board. Thank you, Laney, for all the years of service and friendship. We miss you already.

Our own **Arvin Holland** has been elected by the BOD to take over **Laney's** duties as **Vice President**. **Arvin**, a long time Dickinson resident and business man, has been an outstanding member of the BABA board for many years and I know he will keep the tradition going. Thank you, **Arvin**, for the things you have done and for the things you will do for BABA.

Man, the hits just keep on coming.

My friend, **Judy Sturgeon**, has retired from the board, the newsletter editor, Secretary and doer of everything that I've asked for many years. I can't tell you how much I'm going to miss her. I've already been calling and asking her how to do stuff.

We have a new member on the BABA board of directors filling Judy's position (big shoes to fill here). **Doug Lindsey**, a Texan back from Colorado, has volunteered to help with all things BABA. Doug has family in Friendswood and has come back to be near them, and we're glad he has. He has been helping Roger with the set up and packing up of the sound equipment for months now, and has taken over the duties of Slow Jam director. I can't think of a better fit. **Doug** loves helping others with music.

See, it takes 3 people to do **Judy's** job. The duties of newsletter editor have fallen into great hands. My good friend, and band mate, **Pauline Eklund** and her very talented daughter **Amy** (she's a real blessing) have jumped in and taken over the newsletter and I just know great things are coming. I'm excited to see what they have in store for us.

Let's do Just one more before we go.

Rick

About BABA

The Bay Area Bluegrass Association (BABA) was organized in 1986 and incorporated in 1987 under the Texas Non-Profit Corporation Act. The primary purpose of BABA is to preserve, encourage, and promote Bluegrass and Bluegrass gospel music as an American art form. BABA promotes Bluegrass through being active in community events, fund raisers, festivals, and monthly shows. BABA is a 501(c)(3) tax deductible organization; see any Director for information.

The monthly show is free to the public and features Bluegrass from the local and national scene. The stage show begins at 6:00 PM, but pickers are welcome to bring their instruments and come earlier to jam. Tasty, inexpensive food is available at the show, and there are raffles, door prizes, and Bluegrass merchandise for sale. This is a 'no alcohol' event, but there's plenty of music and great family fun!

Proceeds from donations, sponsors, memberships, sales, and raffles are used to keep the doors open and the regular shows free to the public. They also maintain and replace sound equipment, storage, security, and expense of keeping the music playing. We thank you for your attendance, your generosity, and your love of the music.

Tidbits or articles can be: an amusing quote; reviews of festivals or music conventions; behind-the-scenes reports of bands; technical; RV and campground reviews; anything that you feel would be of interest to Bluegrass enthusiasts. Articles can span more than one issue, and full credit will be given. Original, uncopyrighted work only, please and thank you!

Anton "Tony" Ullrich

is celebrating 47 years (1972 - 2019) of teaching folks in the greater Houston area to play Bluegrass style banjo.

Your private banjo lessons begin with an introduction to BanjerTab's unique approach to creating syncopation (that 'ahead of the beat' bounce) that you hear in the recordings of the first generation greats, who had no other form of learning than creating their banjo style 'as they went.'

Once you're familiar with BanjerTab, choose the area of playing you want to focus on: Scruggs style, full-chord back-up, mid-neck / high-neck picking, melodic style (fiddle tunes /back-up), or specific songs you have always wanted to play.

The expertise gained through 56 years of playing and 47 years of teaching is available to you now. Choose videotape lessons or come for private lessons in Houston.
