The BABA Bulletin

THE BAY AREA BLUEGRASS ASSOCIATION

Bluegrassing
since 1987

Hi Bluegrassers,

It's still HOT!! Can we stop talking about the weather?
Yes, let's focus on the great show at BABA this month.

We are pleased to have two new bands on stage with different
members of those bands familiar to us at BABA.

This is what "Ben and Joana" say about their wonderful duo.

"Two hearts filled with love for music and each other, joined
together by God, begin their journey in bluegrass."

We will get to hear Ben Sims & his wife Joana's sweet music at 7:30.

Also, we will be blessed by the amazing mix that is "Moonlight Drive"

There's a little history of this group on the next page and I bet you
will see some old friends of BABA together in this band.

We hope to see you at the show.

Keep on Pickin'

Rick

MoonLight Drive

After decades, Alan Lambert and Wil Huckabay (both former members of Four Wheel Drive) team up once more to form the eclectic acoustic musical group, Moonlight Drive. Their vision for the newly formed group consists of Americana style songs, along with some 40's flavored jazz and of course, bluegrass.

Brandy Morace is one of MLD's lead singers, bringing to the table her smooth, dreamy vocals and haunting harmonies. She is the solid vocal anchor to this diverse group.

Brad Hight is the group's bass player moving both from upright to electric as the song demands. Brad is also a member of several other bluegrass and swing bands and has been a perfect fit for what MLD is trying to accomplish musically.

Alan Lambert is the group's guitar player and sings lead on many of the Americana type songs.

His rhythmic style of playing adds much flavor to the group's unique blend of music. Alan has been a member of many bluegrass bands over the years such as Four Wheel Drive and Austin Colony.

Wil Huckabay plays 5 string banjo and has been involved with many groups such as Huck's Acoustic Revue, Four Wheel Drive and Midland Express. Wil also helps with vocal harmonies.

**A special thanks to you;
The members and fans of bluegrass!**

**Remember BABA is nothing without you.
We need your help!**

A thanks goes a long way to all the unpaid volunteers and board members!**

About BABA

The Bay Area Bluegrass Association (BABA) was organized in 1986 and incorporated in 1987 under the Texas Non-Profit Corporation Act. The

primary purpose of BABA is to preserve, encourage, and promote Bluegrass and Bluegrass gospel music as an American art form. BABA promotes Bluegrass through being active in community events, fund raisers, festivals, and monthly shows. BABA is a 501(c)(3) tax deductible organization;

see any Director for information. The monthly show is free to the public and features Bluegrass from the local and national scene. The stage show begins at 6:00 PM, but pickers are welcome to bring their instruments and come earlier to jam.

Tasty, inexpensive food is available at the show, and there are raffles, door prizes, and Bluegrass merchandise for sale. This is a 'no alcohol' event, but there's plenty of music and great family fun!

Proceeds from donations, sponsors, memberships, sales, and raffles are used to keep the doors open and the regular shows free to the public. They also maintain and replace sound equipment, storage, security, and expense of keeping the music playing.

We thank you for your attendance, your generosity, and your love of the music.

In addition pay attention to *when the list was updated*.

Checking all the jams is time-consuming, and not everyone calls or emails back, which is why it isn't updated constantly... It's also why this is the first update since many jams shut down from covid restrictions.

Anton "Tony" Ullrich

is celebrating 50 years (1972 - 2022) of teaching folks in the greater Houston area to play Bluegrass style banjo.

Your private banjo lessons begin with an introduction to BanjerTab's unique approach to creating syncopation (that 'ahead of the beat' bounce) that you hear in the recordings of the first generation greats, who had no other form of learning than creating their banjo style 'as they went.'

Once you're familiar with BanjerTab, choose the area of playing you want to focus on: Scruggs style, full-chord back-up, mid-neck / high-neck picking, melodic style (fiddle tunes /back-up), or specific songs you have always wanted to play.

The expertise gained through 56 years of playing and 47 years of teaching is available to you now.

Choose videotape lessons or come for private lessons in Houston.
