PRESIDENT'S MESSAGE

It sure was good to see **The Bluegrass Solution** and **White Dove** last month. And **Southern Style** sure had a good time playing until I flaked out and had to leave the stage. Sorry about that but I had to get down before I fell down. All better now.

Don't forget the show starts early this month. We'll kick it off with the announcements at 5:45 and the

1st band takes the stage at 6:00 sharp so don't be late.

This month **Austin Colony** will be kicking the show off. **Did I mention the show starts at 6:00 this month?** Then **The Laughing Lizards Old Time String Band** will be back and **Bordertown Ramblers** will be taking the stage.

All the contest (banjo, Guitar, & Mandolin, will be in July at the monthly show; don't forget.

Fire On The Strings will be in November and we are working hard to get the lineup set and we will announce the lineup soon. Yes, it will be held here at our home at the Civic center in League City. It will be a 1 day event with vendors, workshops, and lots of fun. Make your plans to be here!

As you all know BABA is only as strong as its members. It costs us more than \$1300.00 every month to put on the monthly shows. That's not counting anything that has to be bought, repaired or replaced. Your membership dues, donations, sponsorship, and gifts are what make this do-able. Bluegrass events are folding tents all over the country and are not able to survive. Without your support we won't make it either. I don't want to sound like we're in a sinking ship. We're holding our own and bailing as fast as we can. We have some very good people working behind us to keep us going and I hope BABA is going strong long after I'm gone. That depends on you. Support BABA, bring a friend to the show. Tell your friends and neighbors about us.

Keep on picking!
Rick

Anne's Notes Editor's Note: While we wait excitedly for Anne's next article, let's take a look at some Bluegrass music that you might find to be a little...well, unexpected...from some of traditional Country music's biggest stars.

Robert Earl Keen Happy Prisoner February 2015

R. E. K. was inducted into the Texas Heritage Songwriters Hall of Fame in 2012. In 2015, Keen was recognized as the first recipient of BMI's official Troubadour Award that honors songwriters for their endless and outstanding song-writing creativity.

Alan Jackson The Bluegrass Album September 2013

The Bluegrass Album is the nineteenth studio album, and first bluegrass album by artist Alan Jackson. Jackson wrote eight songs for the album. It also includes covers of The Dillards' "There Is a Time", John Anderson's "Wild and Blue" and Bill Monroe's "Blue Moon of Kentucky".

Patty Loveless Mountain Soul II September 2009

Loveless beat out the likes of Sam Bush, The Del McCoury Band and the SteelDrivers to win the Best Album Bluegrass Grammy in 2011

Patty Loveless Mountain Soul June 2001

Patty's first 'Mountain Soul' album, returning the country star to her bluegrass and gospel roots, was released in 2001. 'Mountain Soul II' is the singer's second release for the Saguaro Road label.

Vince Gill High Lonesome Sound June 1996

This was his eighth studio album from Vince Gill. It features the singles "High Lonesome Sound," "Worlds Apart," "Pretty Little Adrianna," "A Little More Love" and "You and You Alone." Two versions of the title track are included. The one at the end of the album was recorded in a more bluegrass orchestration, backed by Alison Krauss and Union Station.

Kathy Mattea Coal April 2008

This album includes the editor's favorite bluegrass song ever! "You'll Never Leave Harlan Alive" was written by Darrell Scott, and has been recorded by the writer, Mattea, Patty Loveless, Brad Paisley, and Dave Alvin. The song was featured in the TV series *Justified*. If you ask nice, *Southern Style* might even sing it for you.

Pinch Hit for Anne by the Editor.

IMPORTANT NOTICES:

Starting in **APRIL** the **stage shows will start at 6:00 PM** instead of 7:00 PM since so many people need to leave earlier in the evening. Feature band is at 8:00; the jam rooms and slow jam times will not change.

The guitar, banjo and mandolin **Texas State competitions will be in JULY** at the regular 3rd Saturday show.

Fire on the Strings is back - slimmed down, ecologically friendly and without adding to climate change. One full Saturday at the League City home, the 3rd Saturday in November. More info as things develop! 2

About BABA

The Bay Area Bluegrass Association (BABA) was organized in 1986 and incorporated in 1987 under the Texas Non-Profit Corporation Act. The primary purpose of BABA is to preserve, encourage, and promote Bluegrass and Bluegrass gospel music as an American art form. BABA promotes Bluegrass through being active in community events, fund raisers, festivals, and monthly shows. BABA is a 501(c)(3) tax deductible organization; see any Director for information.

The monthly show is free to the public and features Bluegrass from the local and national scene. The stage show begins at 7:00 PM, but pickers are welcome to bring their instruments and come earlier to jam. Tasty, inexpensive food is available at the show, and there are raffles, door prizes, and Bluegrass merchandise for sale. This is a 'no alcohol' event, but there's plenty of music and great family fun!

Proceeds from donations, sponsors, memberships, sales, and raffles are used to keep the doors open and the regular shows free to the public. They also maintain and replace sound equipment, storage, security, and expense of keeping the music playing. We thank you for your attendance, your generosity, and your love of the music.

Anton "Tony" Ullrich

is celebrating 44 years (1972 - 2016) of teaching folks in the greater Houston area to play Bluegrass style banjo.

Your private banjo lessons begin with an introduction to BanjerTab's unique approach to creating syncopation (that 'ahead of the beat' bounce) that you hear in the recordings of the first generation greats, who had no other form of learning than creating their banjo style 'as they went.'

Once you're familiar with BanjerTab, choose the area of playing you want to focus on: Scruggs style, full-chord back-up, mid-neck / high-neck picking, melodic style (fiddle tunes /back-up), or specific songs you have always wanted to play.

The expertise gained through 52 years of playing and 43 years of teaching is available to you now. Choose videotape lessons or come for private lessons in Houston.

All country music roads lead back to bluegrass? **Jon Kahn** is a country music artist and songwriter, who was convinced by a chance encounter with a bluegrass band that his song, *American Heart*, needed to be recut as a bluegrass song and released to bluegrass radio. *Read the rest of the story at:*
