## PRESIDENT'S MESSAGE

Are y'all enjoying your Texas summer with plenty of air conditioning and Bluegrass music? It's really too H.O.T. to be sitting outside in August, so load up the family and friends and come enjoy some fine pickin', great folks and some of Miss Sandi's glorious baked goodies too! Here's the list of winners from the July contests:

### Texas State Bluegrass Banjo Competition, 2016

- 1<sup>st</sup> Place: now four-time champion in Texas, Jack Seale from Seale
- 2<sup>nd</sup> Place: Gregg Welty from Argyle
- 3<sup>rd</sup> Place: Hudson Doucette from Waller

### Texas State Bluegrass Mandolin Competition 2016

- 1<sup>st</sup> Place and Texas State Champion: Jordan Kishbaugh from Houston
- 2<sup>nd</sup> Place: Shain Gustin from Katy
- 3<sup>rd</sup> Place: Greg Tsamouris from Houston

### Texas State Bluegrass Flat-Picking Guitar Competition 2016

- 1<sup>st</sup> Place and Texas State Champion: Shain Gustin from Katy
- 2<sup>nd</sup> Place: Jordan Kishbaugh from Houston
- 3<sup>rd</sup> Place: Garrett Ratliff from Brownwood

Congratulation to all of the winners, and to all of the contestants as well! There was a LOT of talent up on that stage, and I'm glad it wasn't me that had to choose among them for these trophies!

The three champions receive, in addition to a trophy and prize money, paid entry to the National Finals in Winfield Kansas.

Thanks to all of the contest staff, to the judges and auditors, the volunteers, and especially to the people and businesses who continue to help BABA sponsor these contests and underwrite the champions who represent the great state of Texas in the Nationals.

Keep on pickin'!

Rick

Kerry Jones has a new custom Deering banjo for sale. The strings are more widely spaced with an arched (radius) neck.

This beauty is made from deluxe mahogany, has a Kavanjo pickup, and is ready for the stage. The only thing it needs is for Kerry to have time to play it, instead of selling it! This is a really great banjo, and he is offering it for 20% off the original price of \$5,000. Email is [tubabanjoguy@hotmail.com](mailto:tubabanjoguy@hotmail.com) and cell is 832-545-7261

The Kavanjo Banjo Pickup System is a magnetic humbucking pickup and jack suspended from a customized mylar head. This is the newest and we believe the most effective way to amplify ANY banjo, while maintaining the instruments authentic characteristics....from the

## About BABA

The Bay Area Bluegrass Association (BABA) was organized in 1986 and incorporated in 1987 under the Texas Non-Profit Corporation Act. The primary purpose of BABA is to preserve, encourage, and promote Bluegrass and Bluegrass gospel music as an American art form. BABA promotes Bluegrass through being active in community events, fund raisers, festivals, and monthly shows. BABA is a 501(c)(3) tax deductible organization; see any Director for information.

The monthly show is free to the public and features Bluegrass from the local and national scene. The stage show begins at 7:00 PM, but pickers are welcome to bring their instruments and come earlier to jam. Tasty, inexpensive food is available at the show, and there are raffles, door prizes, and Bluegrass merchandise for sale. This is a 'no alcohol' event, but there's plenty of music and great family fun!

Proceeds from donations, sponsors, memberships, sales, and raffles are used to keep the doors open and the regular shows free to the public. They also maintain and replace sound equipment, storage, security, and expense of keeping the music playing. We thank you for your attendance, your generosity, and your love of the music.

## Anton "Tony" Ullrich

is celebrating 44 years (1972 - 2016) of teaching folks in the greater Houston area to play Bluegrass style banjo.

Your private banjo lessons begin with an introduction to BanjerTab's unique approach to creating syncopation (that 'ahead of the beat' bounce) that you hear in the recordings of the first generation greats, who had no other form of learning than creating their banjo style 'as they went.'

Once you're familiar with BanjerTab, choose the area of playing you want to focus on: Scruggs style, full-chord back-up, mid-neck / high-neck picking, melodic style (fiddle tunes /back-up), or specific songs you have always wanted to play.

The expertise gained through 52 years of playing and 43 years of teaching is available to you now. Choose videotape lessons or come for private lessons in Houston.

The BABA Bulletin would like feedback and Bluegrass articles from our readers. Tidbits or articles can be: an amusing quote; reviews of festivals or music conventions; behind-the-scenes reports of bands; technical; RV and campground reviews; anything that you feel would be of interest to Bluegrass enthusiasts. Articles can span more than one issue, and full credit will be given. Original, uncopyrighted work only, please and thank you!

I used to think that the brain was the most important organ in the body. Then I thought, "Look what's telling me that!"

Today a man knocked on the door and asked for a small donation towards the local swimming pool. I gave him a glass of water.

A clear conscience is often the sign of a bad memory.

My friend hasn't spoken to his wife in 18 months. He isn't mad at her, he just hates to interrupt.

The difficult thing with quotes on the internet is verifying them.
