September 2016

30 Years of Bluegrass

Volume 30, Issue 3

## PRESIDENT'S MESSAGE

Summer is winding down but we'll keep the action hot around BABA with some great shows. This month's bands will be burning the house down! Kicking off the show at 6:00 is R. Lynn and Friends, and fueling the fire will be White Dove at 7:00 PM. Southern Style will play at 8:00 and fan the flames even more, so the stage will be cooking all evening.

The jamming will be just as hot, and I'll be right in the middle of it! You can too. Invite a friend, bring your neighbor!

Thanks to Pine Island Station, Skidaway River, (Got to jam some with Doug at Salmon Lake sure did enjoy that) and Pet Rooster (Got to jam with Jay & Cathy and we did the "one more song" bit 'til after 2:30AM).

On August 13<sup>th</sup>, BABA had the honor of furnishing entertainment for the Shriners' Hospital in Galveston. A few months ago we had the honor of doing the same thing for our Veterans at Michael E. DeBakey VA Medical Center in Houston and we have been asked to come back later this year.

These are just a few of the things BABA does for the community. We support our local cities by furnishing bands for their events, schools, memorials, retirement centers, and many other community events. We support our Wounded Warriors and Veterans, and we are proud to continue these events. I just wanted to remind you it's not just the music -Bluegrass is a way of life.

Support your community. Support Bluegrass. Support BABA.

Pick on,

Rick

## Stringing You Along

I didn't like my beard at first. Then it grew on me.

I used to be a banker, but then I lost interest.

I got a job at a bakery because I kneaded dough.

Velcro — what a rip off!

A cartoonist was found dead in his home. Details are sketchy.

Time may be a great healer, but it's a lousy beautician.

Forget the health food craze. I need all the preservatives I can get.

A thesaurus.

Every morning is the dawn of a new error.

Listless: The way most men go grocery shopping.

No matter how much you push the envelope, it will still be stationery.

Kerry Jones has a new custom Deering banjo for sale. The strings are more widely spaced with an arched (radius) neck.

This beauty is made from deluxe mahogany, has a Kavanjo pickup, and is ready for the stage. The only thing it needs is for Kerry to have time to play it, instead of selling it! This is a really great banjo, and he is offering it for 20% off the original price of \$5,000. Email is [tubabanjoguy@hotmail.com](mailto:tubabanjoguy@hotmail.com) and cell is 832-545-7261

## About BABA

The Bay Area Bluegrass Association (BABA) was organized in 1986 and incorporated in 1987 under the Texas Non-Profit Corporation Act. The primary purpose of BABA is to preserve, encourage, and promote Bluegrass and Bluegrass gospel music as an American art form. BABA promotes Bluegrass through being active in community events, fund raisers, festivals, and monthly shows. BABA is a 501(c)(3) tax deductible organization; see any Director for information.

The monthly show is free to the public and features Bluegrass from the local and national scene. The stage show begins at 6:00 PM, but pickers are welcome to bring their instruments and come earlier to jam. Tasty, inexpensive food is available at the show, and there are raffles, door prizes, and Bluegrass merchandise for sale. This is a 'no alcohol' event, but there's plenty of music and great family fun!

Proceeds from donations, sponsors, memberships, sales, and raffles are used to keep the doors open and the regular shows free to the public. They also maintain and replace sound equipment, storage, security, and expense of keeping the music playing. We thank you for your attendance, your generosity, and your love of the music.

# Anton "Tony" Ullrich

is celebrating 44 years (1972 - 2016) of teaching folks in the greater Houston area to play Bluegrass style banjo.

Your private banjo lessons begin with an introduction to BanjerTab's unique approach to creating syncopation (that 'ahead of the beat' bounce) that you hear in the recordings of the first generation greats, who had no other form of learning than creating their banjo style 'as they went.'

Once you're familiar with BanjerTab, choose the area of playing you want to focus on: Scruggs style, full-chord back-up, mid-neck / high-neck picking, melodic style (fiddle tunes /back-up), or specific songs you have always wanted to play.

The expertise gained through 52 years of playing and 43 years of teaching is available to you now. Choose videotape lessons or come for private lessons in Houston.
