30 Years of Bluegrass

Volume 30, Issue 8

PRESIDENT'S MESSAGE

I don't care what the calendar says, my allergies say spring has sprung. The trees are starting to bloom and the thermometer is pushing 80. Usual for SE Texas.

Thanks to everyone for making the first BABA show of the year a good one. The crowd, the bands and the jams were all smoking. Thanks to White Dove, Brazos River Pickers and Southern Style for kicking the year off in grand style.

This month we have 2 BABA favs. Pet Rooster, a local favorite, and Dueling Hearts, our friends from the Waco area, will be playing some great bluegrass. Let's welcome them back.

Thanks to everyone that pitched in and helped out with all the work it takes to put on these BABA shows. From booking bands, setting up and taking down the sound equipment, running the slow jam, The BABA table, the food and drinks then cleaning up after the show, there is a lot involved. A few more volunteers would sure make it a lot easier on those that work so hard. We need help in several locations; we're wearing out the ones that work so hard. Pitch in and give us a hand if you can.

BABA is only as strong as its members. Your membership and donations are what keep the doors open. Without your support there won't be any shows.

Keep on picking,

Rick

OH NO! More musician jokes!

Q: How many bluegrass musicians it takes to change a light bulb?

A: It doesn't matter because the banjo player is gonna' change it again anyway after everybody else is done.

Q: How many bluegrass musicians it takes to change a light bulb?

A: They don't. They only use acoustic light bulbs.

Q: How many bluegrass musicians does it take to screw in a light bulb?

A: Two. One to screw it in, and one to complain that it's electrified.

Q: What's the difference between a banjo and a trampoline?

A: You take off your shoes when you jump on the trampoline.

Q: What's the difference between a lawn mower and a harmonica?

A: You can tune a lawn mower, and the owner's neighbors will be upset if you borrow the lawn mower and don't return it.

Q: How do you tell when your lead singer is at the door?

A: He can't find the key and doesn't know when to come in.

HEY MEMBERS!

Be sure to stop at the BABA table, and get a MEMBER door prize ticket.

We've give TWO great door prizes each month as part of your membership - no extra cost to you. Just get your ticket and cross your fingers!

Kerry Jones has a new custom Deering banjo for sale. The strings are more widely spaced with an arched (radius) neck.

This beauty is made from deluxe mahogany, has a Kavanjo pickup, and is ready for the stage. The only thing it needs is for Kerry to have time to play it, instead of selling it! This is a really great banjo, and he is offering it for 20% off the original price of \$5,000. Email is tubabanjoguy@hotmail.com and cell is 832-545-7261

The Kavanjo Banjo Pickup System is a magnetic humbucking pickup and jack suspended from a customized mylar head. This is the newest and we believe the most effective way to amplify ANY banjo, while maintaining the instruments authentic characteristics....from the

About BABA

The Bay Area Bluegrass Association (BABA) was organized in 1986 and incorporated in 1987 under the Texas Non-Profit Corporation Act. The primary purpose of BABA is to preserve, encourage, and promote Bluegrass and Bluegrass gospel music as an American art form. BABA promotes Bluegrass through being active in community events, fund raisers, festivals, and monthly shows. BABA is a 501(c)(3) tax deductible organization; see any Director for information.

The monthly show is free to the public and features Bluegrass from the local and national scene. The stage show begins at 6:00 PM, but pickers are welcome to bring their instruments and come earlier to jam. Tasty, inexpensive food is available at the show, and there are raffles, door prizes, and Bluegrass merchandise for sale. This is a 'no alcohol' event, but there's plenty of music and great family fun!

Proceeds from donations, sponsors, memberships, sales, and raffles are used to keep the doors open and the regular shows free to the public. They also maintain and replace sound equipment, storage, security, and expense of keeping the music playing. We thank you for your attendance, your generosity, and your love of the music.

Anton "Tony" Ullrich

is celebrating 45 years (1972 - 2017) of teaching folks in the greater Houston area to play Bluegrass style banjo.

Your private banjo lessons begin with an introduction to BanjerTab's unique approach to creating syncopation (that 'ahead of the beat' bounce) that you hear in the recordings of the first generation greats, who had no other form of learning than creating their banjo style 'as they went.'

Once you're familiar with BanjerTab, choose the area of playing you want to focus on: Scruggs style, full-chord back-up, mid-neck / high-neck picking, melodic style (fiddle tunes /back-up), or specific songs you have always wanted to play.

The expertise gained through 54 years of playing and 45 years of teaching is available to you now. Choose videotape lessons or come for private lessons in Houston.
