32 Years of Bluegrass Volume 32, Issue 8

PRESIDENT'S MESSAGE

Hey there bluegrass fans, it looks like Spring is here. Flowers are blooming, pollen is high. We moved the clocks ahead and bugs are starting to come out. I saw the sun 3 times last month. I need some bluegrass music in my life and I know where to find it. Join us for the third Saturday FREE show if you do

too. The jam rooms will be jamming' with friends and newcomers alike. Bring your ax and join in or just enjoy some fine music.

Hope you enjoyed the show last month. It's been awhile (too long) since we got to see our friends The Bluegrass Solution. Thanks guys for doing a fine job for us.

This month another BABA old-timer, The Brazos River Pickers, will be back to play all your favorites. The other bands will be announced later.

The jam rooms will be jamming' with friends and newcomers alike. Bring your ax and join in or just enjoy some fine music.

I'd like to take a moment to thank all the volunteers that helped keep BABA going this past year. Without them we couldn't put on a show. If you have a little time volunteer to help out. We could always use a hand. Remember it's your membership and generous donations that make BABA happen.

Keep on picking! -Rick.

For the Irish (and the Irish at heart)

HEY MEMBERS!

Be sure to stop at the BABA table, and get a MEMBER door prize ticket.

We've give TWO great door prizes each month as part of your membership - no extra cost to you. Just get your ticket and cross your fingers!

P.S. You can join and renew there, too.

They say St. Patrick drove the snakes out of Ireland. I wonder if he could do that for Congress.

My wife made me a green hamburger to celebrate St Patrick's Day. I asked her how she colored it and she said she didn't know what I was talking about.

Why don't women want to get engaged on St Patrick's Day? 'Cause they don't want to get a "sham rock".

Why do people wear shamrocks on St. Patrick's Day?
Regular rocks are too heavy.

What would you get if you crossed Christmas with St. Patrick's Day?
St. O'Claus!

Drink green beer on St Patrick's Day! It counts as a vegetable!

On St. Patrick's Day I like to make believe I'm Irish. Just like at Christmas when I make believe I'm good.

I went out drinking on St Patrick's Day, so I took a bus home... That may not be a big deal to you, but I've never driven a bus before.

GOT KIDS?
GRANDKIDS?
Electrified pals?
Come by the shop and see our **fine electric instruments and amps, too.**

Starter kits to professional grade. Check us out!

BLUEGRASS JAMMING CAMP

Calling all closet pickers!

TAUGHT BY **JOHN DAVID** USING THE WERNICK METHOD*
tinyurl.com/JamCampAustin

TUITION \$250
 (\$235 UNTIL MAR 26!)

Fri-Sun, Apr 26-28 Fri 7-9:30, Sat 10-6, Sun 10-3:30
Austin, TX Private residence

John David is a master on banjo, mandolin, dobro, guitar, and harmonica. He also plays fiddle and bass. He toured with music luminaries the Limelickers, performed with Leon Redbone, and has recorded for many television shows, commercials, and movie soundtracks. John created two instructional videos, on banjo and mandolin, for the Warner Brothers "Ultimate Beginner" series. While the Denver Post describes him as a "guitarist's guitarist", John is also eager to help everyday people with the challenges of learning to jam.

JOHN'S STUDENTS SAY:

"John's explanations are excellent and easy to follow."
"John made me (and everyone) feel at ease, created a fun atmosphere."
"I was surprised at how much I learned—and how quickly."

- All bluegrass instruments
- No jamming experience necessary
- You will be jamming the first session!

*** Wernick Method Classes teach real bluegrass jamming!**

** in your area * with other pickers like you **

- * Hands-on learning in large and small groups
- * Learn many bluegrass standards
- * Gentle tempos! Mistakes expected
- * Full ground rules and etiquette of typical jams
- * How to lead songs and how to follow new songs
- * How to find melodies, fake solos, sing harmony
- * Ear skills taught and emphasized as in real bluegrass
- * Tab/note reading skills not needed or used
- * Group and individualized instruction on backup skills
- * Intermediates welcome, and given added challenges
- * Understanding, low-pressure, time-tested teaching!

DO YOU QUALIFY? It's easier than you may think! If you play guitar, mandolin, banjo, fiddle, bass, or dobro... you can be part of a bluegrass jam.

Only requirements: You must be able to tune your instrument (electronic tuning devices welcome) and change smoothly between G, C, D, and A. (Fiddles and basses need to know which notes work with which chords)
 Fast playing is not expected, nor is the ability to solo required.

Pete Wernick ("Dr. Banjo", originator of Banjo Camps and Bluegrass Jam Camps)

has created a method that has taught thousands nationwide how to enjoy bluegrass jams at their own level. Wernick Method teachers are certified by Pete based on knowledge of bluegrass, teaching ability, and proper use of the Wernick Method.

About BABA

The Bay Area Bluegrass Association (BABA) was organized in 1986 and incorporated in 1987 under the Texas Non-Profit Corporation Act. The primary purpose of BABA is to preserve, encourage, and promote Bluegrass and Bluegrass gospel music as an American art form. BABA promotes Bluegrass through being active in community events, fund raisers, festivals, and monthly shows. BABA is a 501(c)(3) tax deductible organization; see any Director for information.

The monthly show is free to the public and features Bluegrass from the local and national scene. The stage show begins at 6:00 PM, but pickers are welcome to bring their instruments and come earlier to jam. Tasty, inexpensive food is available at the show, and there are raffles, door prizes, and Bluegrass merchandise for sale. This is a 'no alcohol' event, but there's plenty of music and great family fun!

Proceeds from donations, sponsors, memberships, sales, and raffles are used to keep the doors open and the regular shows free to the public. They also maintain and replace sound equipment, storage, security, and expense of keeping the music playing. We thank you for your attendance, your generosity, and your love of the music. 13

Anton "Tony" Ullrich

is celebrating 47 years (1972 - 2019) of teaching folks in the greater Houston area to play Bluegrass style banjo.

Your private banjo lessons begin with an introduction to BanjerTab's unique approach to creating syncopation (that 'ahead of the beat' bounce) that you hear in the recordings of the first generation greats, who had no other form of learning than creating their banjo style 'as they went.'

Once you're familiar with BanjerTab, choose the area of playing you want to focus on: Scruggs style, full-chord back-up, mid-neck / high-neck picking, melodic style (fiddle tunes /back-up), or specific songs you have always wanted to play.

The expertise gained through 56 years of playing and 47 years of teaching is available to you now. Choose videotape lessons or come for private lessons in Houston.
