The Bay Area Bluegrass Association (BABA) was organized in 1986 and incorporated in 1987 under the Texas Non-Profit Corporation Act. The primary purpose of BABA is to preserve, encourage, and promote Bluegrass and Bluegrass gospel music as an American art form. BABA promotes Bluegrass through being active in community events, fund raisers, festivals, and monthly shows.

**BABA is a 501(c)(3) non-profit organization;**

see any Director for information. The monthly show is free to the public and features Bluegrass from local and national levels.

**The Open Mic show begins at 6:00 pm, Please sign up. Jammers are welcome to come at 4:00 to pick and sing. Follow the signs to other Jam rooms. Beginners will love the Slow Jam to learn the basics; jam etiquette, and the chord progressions to many traditional bluegrass tunes.**

Tasty, inexpensive food is available at the show, and there maybe raffles, door prizes, and Bluegrass merchandise for sale. This is a 'no alcohol' event, but there's plenty of music and great family fun! Proceeds from donations, sponsors, memberships, sales, and raffles are used to keep the doors open and the regular shows free to the public. They also maintain and replace sound equipment, storage, security, and expense of keeping the music playing.

We thank you for your attendance, generosity, and love of the music.

**Anton "Tony" Ullrich**

is celebrating 50 years (1972 - 2022) of teaching folks in the greater Houston area to play Bluegrass style banjo.

Your private banjo lessons begin with an introduction to BanjerTab's unique approach to creating syncopation (that 'ahead of the beat' bounce) that you hear in the recordings of the first generation greats, who had no other form of learning than creating their banjo style 'as they went.' Once you're familiar with BanjerTab, choose the area of playing you want to focus on: Scruggs style, full-chord back-up, mid-neck / high-neck picking, melodic style (fiddle tunes /back-up), or specific songs you have always wanted to play.

The expertise gained through 56 years of playing and 47 years of teaching is available to you now.

Choose videotape lessons or come for private lessons in Houston.
